1. A single award will be made to the vendor that meet the following elements.

a. Basis of Award:

The Government will award a contract resulting from this request for quote to the responsible offeror whose offer conforming to the solicitation is determined to be Lowest Price Technically Acceptable offer with acceptable past performance and delivery schedule.

b. Your correct company name and ordering address must match up to the ones registered in the System for Award Management (SAM) (<https://sam.gov/portal/public/SAM>) with the applicable NAICS code of 333613 for our requirement.

c. The supplies/services are within the scope of the solicitation.

d. Your company is not listed on the Excluded Parties List within System for Award Management (SAM).

e. The Supplier Performance Risk System (SPRS) application (<https://www.ppirsrng.csd.disa.mil/>) will be used in the evaluation of suppliers' past performance with DFARS 213.106-2.

2. EQUAL ITEM:

It is the quoter's responsibility to furnish sufficient information to the Government in order to determine acceptability of the quoted equal items. Therefore, if "equal" item(s) is quoted, the quoter shall submit all technical specifications for the Government to review in order to determine technical acceptability.

3. PAYMENT

The payment method is EFT (Electric Funds Transfer) and any advance payment is prohibited. This is exempted from taxation.
