**Core Data**  
Mandatory for all registration types. Includes, but is not limited to, an entity's DUNS and/or DoDAAC, name, address, CAGE or NCAGE, code, TIN or EIN number, general information, financial information, and details about any proceedings in which the entity may currently be involved.

**Assertions**  
Documents self-assertions from each entity. Includes, but is not limited to, data about the types of goods and services the entity provides, the entity size, optional Electronic Data Interchange (EDI), and disaster relief data.

**Representations & Certifications**  
Documents an entity's representations and certifications related to their small business status, responses to commonly used Federal Acquisition Regulation (FAR) and Defense Federal Acquisition Regulation Supplement (DFARS) provisions, clauses, and Architect-Engineer Responses (SF330 Part II).

**Points of Contact**  
Mandatory for all registration types. The entity will be asked to provide contact information for any mandatory POC based on the information they provided during the registration process. Includes, but is not limited to, accounts receivable, electronic business, and government business.

**Notes:**  
An entity within the SAM system includes prime contractors, organizations or individuals applying for assistance awards, those receiving loans, sole proprietors, corporations, partnerships, and any Federal government agencies desiring to do business with the government.  
Entity Administrators and/or Entity Registration Representatives are responsible for ensuring the accuracy of an entity registration in SAM. An entity registration must be renewed every 365 days in order to remain active and will expire if it is not updated in a timely manner. An expired registration may affect the ability to do business with the Federal government.
